

CITIZENS' ENVIRONMENTAL COALITION

2014 Environmental Resource Guide Educator Edition

Dear CEC Supporter:

Be a part of the 2014 Special Edition Environmental Resource Guide Educator Edition! This special directory will be published and distributed to over **2000 teachers** and educators at the beginning of the 2014-2015 school year. This directory will contain profiles of **over 100 non-profit environmental member groups**, and will highlight resources they provide such as field trips, curriculum, teacher training, and discovery trunks.

This guide is a great way to show your support of environmental efforts in our community, and to tell others of your company's environmental involvement and commitment. Sponsors will be recognized in the guide with a profile—designed by the sponsor--describing its environmental philosophies and activities. The benefits to your company include:

- This publication is posted as a pdf on our website and as a dynamic, searchable guide.
- All sponsors will be announced in our electronic e-news, which is distributed to almost 5,000 subscribers each week.
- It is an inexpensive, tax deductible sponsorship that supports our shared community.
- Sponsor pages are full color with live hyperlinks to your website and/or emails in the digital edition.

If you are interested in being a sponsor, please contact Rachel Powers (rachel@cechouston.org or 713-524-4232) for more information.

Deadline for securing sponsorship opportunity: August 1, 2014.
