

Houston Environmental Resources for Educators

A program of the Citizens' Environmental Coalition, **HERE in Houston** offers ways to connect our environmental community of educators. Happy New Year!

What are your **professional development needs in 2021**? Canoe 101? Wilderness First Aid? Universal Design Learning? Please take this brief survey in [Google Forms](#) to help us help you in the new year.

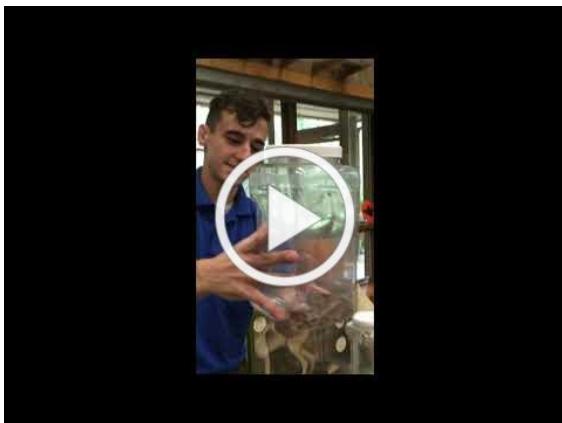

Galveston Bay Foundation is booking virtual programs for Spring, 2021. This includes:

- K-12 Workshops
- STEM Careers Webinars
- Small Field Trips
- Teacher Professional Development
- Galveston Bay Dolphin Trunk

Visit [their website](#), or email Cindy Wilems at cwilems@galvbay.org.

Join CEC for the **Environmental Educators Exchange** on January 15 and 29 from 9:30 - 10 a.m. This month features tips on collaborative social media practices from Children's Environmental Literacy Foundation, and updates from TAAE and TCIN. Email alicia@cechouston.org for the meeting link.

Need a virtual lesson, activity or field trip about Houston's environment for your students? Send an email to SCA Americorp Intern Emma Wilson (emma.wilson@cechouston.org) or [fill out this Google Form](#) to book a **free, custom program that aligns to any of the TEKS**. She is available any date and time from now until March.

Or participate in a scheduled program with the USFWS on Wednesdays. Details and archived videos/lesson plans at hereinhouston.org/virtual-field-trips.

Job Posting: [Program Director](#)

The Woods Project is seeking a Program Director to oversee and manage programs, including but not limited to program design and implementation, logistics, data analysis, communications and strategic planning. Apply today!

Wildlife By Design programs are booking quickly for Spring 2021. These are **FREE** interactive, Science-TEK aligned programs for **grades K-8**. The presentations explore native Texas wildlife, natural resources, and conservation principles.

Contact [Ali Kuehn](#) for details at akuehn@texas-wildlife.org.
